

Are you a Southern California Medical Student Considering a Career in

# Emergency Medicine?

## Presenting the First Annual **USC** Emergency Medicine Symposium

For EM Bound **Medical Students**  
Saturday, September 6<sup>th</sup>, 2008  
USC Keck School of Medicine Quad  
1975 Zonal Ave. Los Angeles, CA 90089

The Los Angeles County – University of Southern California Emergency Medicine Residency Program would like to invite all interested Southern California medical students to The First Annual USC Emergency Medicine Symposium. This one day event is designed for all medical students who are interested in pursuing careers in emergency medicine. The day will consist of numerous short lectures on interesting topics in the field of emergency medicine, procedural workshops, and socializing/networking opportunities. In addition, representatives from area programs will be available to offer advice on being accepted into EM residency positions. If you would like to attend, please RSVP by 8/23/08 for free admission.
