*Can ya
Swing
it?*

Trojan
Golfers:

It is my hope that everybody had a great summer vacation that included getting in a few rounds of golf. The fall semester is here and the Trojan Golf Club is getting back into the "swing" of things.

The Trojan Golf Club is an opportunity for golfers of all abilities to play with and get to know other golfers in the Trojan family. The club has a trip to Palm Springs, tournaments, and club days planned for the fall. The Palm Springs trip is an excellent chance for Trojans to play world famous resort courses at an extremely low price. The tournaments allow for friendly competition among students and with other schools (UCLA). Club days are a chance for members to play local courses with friends at low green fees.

The club has become increasingly popular over the last few years including active participation from alumni. Please check out our website at www.uscgolfclub.com and feel free to contact us if you have any questions.

Sincerely,
Will Steuber
Club President
