FOREST LAWN IN GLENDALE

Gerontology is the study of aging throughout the entire lifespan.

We embrace the process of birth, growth, and death as part of the natural cycle of life.

We embrace life by remembering and honoring those who have come before us.

Come join us on Oct. 30, as we visit the Forest Lawn Memorial Park.

WHAT: Forest Lawn Memorial Park and Cemetery Tour

WHEN: 5:30 PM on Friday Oct. 30

WHY: Understanding death, dying, and the grieving process.
