

Dear Student,

On behalf of the Student Gerontology Association (SGA), I would like to extend an invitation to new students of the Davis School of Gerontology, to join us during the 2009-2010 school year. SGA is an organization for undergraduate, masters, and PhD students, which strives to enhance the experience of students as they pursue their interests in gerontology. I encourage all new gerontology students to become active members of SGA, as it affords a great opportunity to meet people with similar interests, and to become involved with activities within and outside of our school.

This coming school year, we have many activities and projects planned, including the Alzheimer's Association Walk, movie nights (featuring movies about aging), and the 2<sup>nd</sup> Annual Multigenerational Round Robin Tennis Tournament. To join us during the coming year, simply provide the information requested below. You may submit the form at our first meeting in September or return the information to me via email (bsteinma@usc.edu). Annual dues are \$20 (includes a t-shirt); please bring check or cash to the next meeting.

I look forward to meeting all of you this fall, and once again, welcome to SGA!

Fight on!!

Bernard A. Steinman  
SGA President, 2009-2010
